12 HABITS FOR SUCCESS –

WHAT IS IT

- Finding the 12 habits, which promote school success.
- Working with the whole school community, pupils, teachers parents
- Empowering pupils to learn according to their abilities.
- Giving pupils the necessary tools to find what they need to develop and become more independent.
- Building a free and self-sufficient person who is able to cope with challenges, not afraid to take risks, but able to manage them, able to work in a team, collaborate, negotiate, respect the others, gain and share knowledge but also able to deal with independent and different tasks and roles.

12 HABITS FOR SUCCESS –

WHAT WILL WE DEVELOP

- Methodology / **Teacher's Guide** - which will consist of two parts:
 1. Theoretical, describing the qualities
 2. Methodology - application and practical activities/tasks and exercises
- **Workbook for the pupils** - where different exercises will be included to acquire these qualities, worksheets, class activities
- **WEBSITE/Online versions** of the two products
